CAREER OBJECTIVE

To secure a challenging position as a Frontend UI Developer where I can apply my expertise in React.js, modern UI design, and responsive web development to create visually compelling and high-performance digital experiences. Eager to contribute to innovative projects while continuously enhancing my skills in cutting-edge frontend technologies.

PROFESSIONAL SUMMARY

A passionate and creative Frontend UI Developer with strong hands-on experience in building modern, responsive, and visually engaging web interfaces. Proficient in React.js, JavaScript (ES6+), HTML5, and CSS3, with a keen eye for pixel-perfect design and smooth user experiences. Skilled at translating complex design ideas into clean, efficient, and scalable code. Experienced in crafting interactive UI components, fluid animations, and performance-optimised layouts across all devices and browsers. A dedicated problem-solver who thrives on delivering intuitive digital experiences that leave a lasting impression.

CORE SKILLS

- React.js, JavaScript (ES6+), HTML5, CSS3
- Bootstrap & Responsive Design
- UI/UX Design & Pixel-perfect Layouts
- Animations & Interactive UI Effects
- Mobile-First & Cross-Browser Development
- Swiper.js & Advanced UI Components

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3
Styling: Bootstrap, Responsive Design, CSS Animations
Tools: Git, WordPress, Swiper.js

TOOLS & TECHNOLOGIES

React.js	Bootstrap	Git	WordPress	Swiper.js

WORK EXPERIENCE

Frontend UI Developer — Rowthtech June 2023 – Present

- Developed responsive React.js applications with clean, maintainable code and optimised performance.
- Built reusable UI components to ensure consistency and efficiency across multiple projects.
- Improved UI performance by optimising rendering, reducing load times, and enhancing user interactions.
- Collaborated with clients to translate design requirements into fully functional web interfaces.

PROJECT EXPERIENCE

- Designed and developed modern, responsive UI for business and product websites using React.js.
- Built reusable UI components including sliders, cards, navbars, modals, and subscription layouts.
- Crafted pixel-perfect interfaces from Figma/design mockups with attention to detail and consistency.
- Implemented smooth CSS animations, transitions, and interactive effects to enhance user experience.
- Ensured cross-browser compatibility and mobile-first responsive design across all screen sizes.
- Handled WordPress theme customisation and deployments across multiple hosting platforms.

KEY STRENGTHS

- Strong UI design sense with attention to detail
- Clean and maintainable code structure
- Performance-focused development approach
- Creative, modern, and problem-solving mindset

EDUCATION

B.Sc. Information Technology 2017 – 2020
Omkarananda Institute of Management & Technology
Shri Dev Suman University, Uttarakhand
